

Request for Scholarship – Fall Player Development Program - 2010

Willamette United Soccer Club

Willamette United Soccer Club has a limited amount of funds for those families needing help with soccer fees. Please provide the following information so that we may determine the Club's ability to assist you. No financial assistance requests will be considered without a completed form. The Club cannot guarantee your request for assistance.

Forms must be turned into the WUSC office no later than May 1, 2010.

This form should be submitted to the Club at: Willamette United Soccer Club

Please give a brief explanation of the reason for this request.

Because our funds are limited, we ask that all families purchase their own uniforms (\$40) which are a direct cost to the club. We also ask all scholarship recipients to contribute volunteer hours in exchange for the scholarship granted. Please let us know, what amount, if any you could provide toward covering the registration fee. The scholarship amount granted will determine the number of volunteer hours we will expect in exchange. The formula is based on a \$20/hour value; i.e. a \$225 program fee requires 11.25 hours of volunteer time in exchange.

The WUSC Financial Aid committee will review all applications and distribute our funds across all qualifying applications. We will count on you to agree to our request for volunteer hours at tournaments, on fields and parking patrol, or in the office. Your scholarship will not be approved until a signed policy form has been submitted with the application form. The policy form is also on the website at www.wusc.net
