

Willamette United Soccer Club's Scholarship Policy

As a Club, Willamette United believes that no player should be turned away due to financial hardship. The club offers several vehicles to provide financial assistance. The following document outlines the policies surrounding the Willamette United Scholarship program.

Scholarship applications will be reviewed and approved as funds are available by a committee of the Classic or Recreational Program Director, Club Manager, and Volunteer Director.

- A Full Scholarship covers all Club fees. Scholarships do not include subsidizing such items as out of league tournament costs, uniform expenses, try-out fees, or travel expenses.
- A Partial Scholarship covers one half (1/2) of the Club fees and the same exclusions apply as in the full scholarship section.

Willamette United is willing to waive club fees for any family in need, in exchange for volunteer hours at the Club level (i.e., lining fields, working tournaments, field prep, office help or any other area where the club may need help). The number of volunteer hours will be determined at a rate of \$20 an hour. The number of volunteer hours required will be determined by the scholarship amount. You will be given the total number of volunteer hours required at the time your scholarship is approved. For Recreational players the number of hours will be approximately 5 hours per scholarship. For the classic program the number of hours will be approximately 60 hours per full scholarship. These hours are an estimate and the actual number of hours will depend on the total amount of your scholarship.

- Scholarship amounts awarded will be based on the needs of the individual.
- Scholarships will be reviewed on a season by season basis.
- If there is a need to cover more than the club fees such as uniforms, shoes etc., a written request should be sent to the club stating what the need is and why you cannot cover those costs. These additional requests will be handled on a case-by-case request and will go through the same process as the scholarships listed above.
- It is the Parent/Guardian's responsibility to keep the club notified of current phone number, address and e-mail contacts. Failure to do so may result in future scholarship requests being denied.
- A parent/guardian will be asked to sign this contract form stating the number of volunteer hours that need to be fulfilled in exchange for the scholarship. By signing the contract you agree that you have read the contract and agree to the terms.
- Failure to meet your scholarship volunteer hours will result in a denial of future scholarship requests. It will also result in the formal and legal collection of the fees that were provided in the scholarship. The club will also pursue any and all fees accrued in attempts to collect any balance.

A signed copy of this policy and agreement to fulfill the volunteer hours' contract will be kept on file at the club's office. Anyone requesting a scholarship for any program must fill out and submit the appropriate application form, which will be attached to this signed policy/contract form.
